ADELAIDE AEROPEX 2019

Jury Report

The jury of Aeropex 2019 is pleased to present its report. This exhibition was confined to exhibits with an aviation theme; most exhibits were in the Aerophilately class. There were 107 entries. Eighty of those were competitive, including one numismatic entry. Entry number 40 was transferred from Aerophilately to the Traditional class. The two Youth exhibits were both assessed in the Youth Thematic category. Due to cultural heritage and other issues, two exhibits were judged by reference to colour copies in the frames.

A special thank you is extended to the Commissioners from the UK, USA, Indonesia, China, New Zealand and India.

We thank the Organising Committee for the facilities available to the jury; and the commissioners and exhibitors for making this aviation exhibition possible.
