## President's Report

Hello everyone,

It has been another busy three months with two Open Days, a Match Exhibition, two History Month events and the Community Live Auction. I would like to thank everyone for their patronage at these events whether as a visitor or a volunteer.

A special congratulations goes out to Jeff Newman for receiving an OAM (refer to inside for more information). Jeff is the oldest surviving Briskham winner in South Australia.

Also I would like to congratulate Mohammed Islam on becoming a fully qualified National Judge. Well done.

On a sad note, we have lost three more philatelic members: Joy Lower, Eric Johnson and Margaret Styvie.

Congratulations Jeff, well done Mohammed, and thanks to everyone for all their hard work.

Jenny Roland  
President SAPC.

Viewing 10.00am - 4pm Saturday  
Viewing 10.00am - 3pm Sunday  
SAPHIL House, 22 Gray Court, Adelaide

## Letters to the Editor

To the Editor,

I would like to submit an idea to the Council about organizing a QR Code.

From a Salisbury member.

Hello Salisbury member,

As you will have noticed on the front page of this issue we have organized a QR Code for the SAPC. All you need to do is hold your camera over the QR code and it should bring up the website for the SAPC, this gives you access all the information on our website.

Thank you for your suggestion

Also thankyou to our Publicity Officer for organizing the code.

The Editor.

Hello to all our members,

I would like to take this opportunity to thank everyone who has supplied me with articles over the last 12 months.

The look of the SAPC News has changed, please let me know what you think.

Also thankyou to the clubs who have sponsored the colour edition of the SAPC News.

I am looking for sponsors for next years issues, if your club would like to be promoted all I need is some history on the club, or the reason why you would like to sponsor the issue, it could be to honour a member or even it could be an anniversary of the club.

Please keep supplying me with articles

Thanks, Linda

Information Wanted - Ken Robertson.

Whilst researching the 1963 Hovercraft Mail the name Ken Robertson came up as a fund-raiser for MIPEX 63. It was clear from the reports appearing in the Australian Stamp Monthly that Mr. Robertson had recently arrived in Melbourne from Adelaide. He must have had some influence on the Adelaide philatelic scene as he was instrumental in securing significant donations for MIPEX from the S.A. Philatelic Advisory Council (original name of the SAPC) and a number of local philatelic societies.

If any readers know of Ken Robertson and his record in the South Australian Philatelic Scene could they please contact Martin Walker at

[saphilatelist@gmail.com](mailto:saphilatelist@gmail.com).

To the Editor,

Washing off Peel & Stick Stamps? A question in Perforated Points (Salisbury bulletin).

A fellow collector of Salisbury Club showed me how to wash off Perel & Stick stamps. Pour 1 or 2 drops of Zippo on back of the stamp paper and after 10-15 seconds you can lift the stamp off the paper.

I could not buy Zippo but was advised to try Diggers White Spirits (used in dry cleaning). I bought a litre, and tipped a small amount into a small container, dropped the stamp in and depending on thickness of envelope could peel the stamp off (sideways), this left the adhesive on the stamp. (this was done outside due to the fumes). It did not take long to dry.

Then when dry smother the adhesive with Johnson's baby powder and rub in, this is to negate the glue.

In my opinion glue on the stamp strengthens the guts and nicks on the stamps, which is built by Australia Post, to self destruct.

Reading editor's notes on washing stamps P.P No. 168 that glue left on the stamps is detrimental when in contact with water. This process of using White Spirits evaporates quickly and does not have contact with water.

My question is: Can any member with chemistry knowledge confirm if the process will have long term storage effect on the stamps.

Yours Reg Chapman ( this may or may not be of interest)

Thanks for your letter Reg.

I have asked a couple of people involved heavily with stamps and they are not sure about long term effects of using Diggers White Spirits would be, but they did say that they would be using unscented talcum powder instead of Johnson's baby powder.

If any other members have any suggestions or an answer re the chemical side of the process please let me know and I will put the responses in the next issue of the SAPC News

Many thanks for your enquiry

Linda

Besides a pair of tweezers and magnifying glass, a stamp album is an essential part of the philatelist's kit. It is a place to show off your latest finds and most prized stamps, and also a way of keeping your collection organized and safe from damp, dust, and sunlight, which can all be damaging to stamps.

## Jeff Newman - Order of Australia Medal

Congratulations, Jeff on being awarded the OAM in the Kings Honour List on 11th June 2023.

Jeff Newman born 10 April 1935 at Orroroo, his father was a stock agent, manager. Soon after the family moved to Bordertown for primary school education. Later they moved to Adelaide where he attended the Unley High School for secondary education. Jeff won a Commonwealth Scholarship to attend University of Adelaide.

Graduating with a Bachelor of Electrical Engineering in 1956. In 1957 he started work at Philips at Hendon, transferring to Sydney in 1978 as their property manager. Retiring in 1997 after 40 years service. He married Dorothy in 1963, they have twin boys Robert and Richard, then Ian and Fiona.

His stamp collecting began in 1943 when he was eight years old, and a class mate Brian Harradine gave him a Globe Album on his eighth birthday. When at University he lived at the Methodist Student Hostel, South Terrace, Adelaide and met Asian students studying under the Columbo Plan, exchanging stamps.

Ted Miller, Vern Stalley and Bill Stewart were the stamp dealers of the day, strategically placed half way between the University and South Terrace. In 1957 he joined the Southern Districts Philatelic Society where he became the hard-working Sec. Treasurer in 1966 until 1975 when he became President for three years. Jeff was made a life member 1973.

In 1958 he joined the PS of SA, then in 1959 joined the Malay Study Group being member No. 77, now No. 1. In 1960 he joined the Brighton PS (Victoria) as they had an active Malay Study circle.

He had been the Southern Districts representative to the Philatelic Advisory Council and became president in 1972/73 of that organization.

At that same time Adelaide hosted ANPEX 72, a national exhibition of which Jeff was on the management committee and had been a tireless worker.

Recognition for this gained him the Briskham Award in 1971. The highest award achievable for outstanding voluntary services to the philatelic world. Jeff is the youngest person to gain that award at 36 and now the longest serving member.

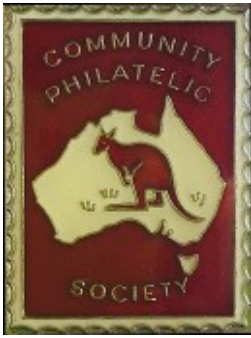

He is one of only two people to gain such an award in two Australian States. He is a life member of the Philatelic Society of Australia. In retirement he is a volunteer at Philas House, Sydney and is a member of the house committee. He was awarded the Philas Award for Meritorious Service to Philately in New South Wales.

Jeff has exhibited in State, National and International exhibitions since 1962. He put on a 200-page display at Philas House for his eightieth birthday entitled Malaya. Recently he presented two displays for ANPEX 22, fifty years after his first 1972 entries.

He and Dorothy still keep in touch with members of the old Southern Districts club in Adelaide.

## SAPC Sponsor - Community PS

Community Philatelic Society members and friends have enjoyed an active involvement in philately since 1959. We welcome all visitors and new members to continue this great hobby.

### 1959

The first meeting was held in the garage of Chappie Underdown. He answered an advertisement that had been placed in the local "Community News" by Gordon Sanderson.

On 23 October 1959, 12 people attended the first meeting and Chappie Underdown was elected President. At the second meeting the name COMMUNITY was chosen. Nick Yeland is the only surviving member from that meeting.

### 1961 – Affiliation with the SAPA

Community became affiliated with the SAPA (now SAPC) in June 1961.

### 1965 - *Stamp Vision* issued

CPS published their own newsletter "Stamp Vision". The first issue was in 1965 and Vic Leski was the editor. We had many editors over the years including Vic Leske, Les Munn, Allen Downes to name a few.

### 1967 – Rapid expansion of Philately in SA

- Expansion of the society meant that two other branches were started, Christies Beach (Noarlunga area) in February 1967 and Victor Harbour branch in October 1975. Victor Harbour closed its branch in 2000.
- The cost of the hire of our first venue Toc H Hall was £1 5/- per month with the annual fees being 10/-. Meetings were held on the 4th Friday of each month. By 1970, the membership increased from 12 up to 300+ members with over 100 of these being juniors.
- Over the years Community has hosted many events, including fairs, At Home's (Open Days), Congress, Birthday events and many trips celebrating anniversaries. Events were held at various venues including Marion, Westlakes and Noarlunga shopping Centres, and club rooms changed from Toc H Hall, Cosgrove Hall, Marion Bowling Club and Croquet Rooms, and is currently at Edwardstown Baptist Church community centre.

### 1968

Marion Council Mayor Grey was not only a Patron of the club, he also presented many of our members with awards for outstanding service to the society over the years. He retired as Mayor in 1968. Members of the society were honoured by having club competitions named in their honour; they were Keith Barron (covers), Doug Welch (pot pourrie), Ken Perry (thematic), and a Seniors Member Trophy.

### 1971– Compex

At Homes (open days) were the forerunner of Compex Events and in 1971 the name changed to Compex. These events were held as a common meeting ground for members to gather from around the State to discuss all aspects of the hobby with others; the enjoyment was gained from differing views of the hobby!

### 1974 – First Congress

- CPS hosted the first Congress in South Australia in conjunction Australia's first National Stamp Week on Saturday October 12, 1974, from 10am - 10pm. It was the most extensive event held in that year and was the first philatelic event that a club or society hosted.
- The theme was a Nationwide Thematic Competition with over 60 entries were received, judges included CR Curtis, B v Tenac, N Cammiss, J Molloy, B Wajer, W Pohl, P Stalley, J Koch, and B Assherton. Trophies were donated by SAPA - Club Competition Winners Trophy, the Latham Roberts Medal for best Commonwealth material, and CPS trophy for Best Thematic Entry.

### 1974 – Themex

Themex 74 was the first National Thematic Exhibition in Australia based on Thematics. There were 3 classes; a) about telling a story, comparison or development of the story, b) was the reason for the issue (e.g., silver wedding) and c) for the design (flowers, birds, etc).

### Awards 1967 – 1976

- CPS received many awards from *Stamp News* in their Most Active Society Competition. The club won 4th Division in 1967; 1968 won 2nd Division; 1972 runner-up for the Grand Award; 1973 Certificate of Merit runner-up, and in 1976 Certificate of Merit Highly Commended Award. We also received a trophy from *Stamp News* for the most Progressive Society in Australia.
- Over the years, many of our members have achieved awards at the highest State and National levels, this includes 13 Briskham, 2 Butler, 1 MAP, and 3 SPAN awards, all for being highly involved in philately for many years. Many of our members have held positions at State level, from President to committee members.
- Research, publishing of books and articles, achieving Gold Medal Awards for exhibits and Judging at all levels of philately state, nationally and internationally.

### 2014 – Unincorporated

In 2014, CPS became unincorporated and donated \$250k to the SAPC for the refurbishment of SAPHIL House.

### 2023

CPS continues to be an active and contributing philatelic society in South Australia. There are currently 20 members, and the society holds two major auctions per year that generates funds for the society as well as for the SAPC. We also have a social media page on Facebook.

Without the hard work and devotion from many of our early and current members, CPS would not have had the impact that it does on philately in South Australia. Our thanks go out to all our members, past and present, who are still actively involved in philately in South Australia.

## Postal History talk

### Postal History at the Tea Tree Gully & District Historical Society.

Convenor of the Postal Stationery & Postal History Society, Martin Walker, gave a presentation on Collecting Postal History at Tea Tree Gully on 21st June. The talk dealt with the many interests that could be pursued in collecting postal history. From origin to destination, covers can feature postmarks, postal rates and routes, famous senders and addressees and these topics were dealt with in the presentation.

The post offices at Tea Tree Gully and the means of carrying mail on the north-eastern postal route were featured with great interest shown in the mail coaches and early motor vehicles used.

Wherever possible the topics were illustrated with postmarks and items of mail sent to or from Tea Tree Gully. The Postal Stationery & Postal History Society meets at SAPHIL House on the evening of the second Tuesday of each month. For further information contact Martin on [saphilatelist@gmail.com](mailto:saphilatelist@gmail.com).

The Tea Tree Gully and District Historical Society meets at the City of Tea Tree Gully Civic Centre on the morning of the third Wednesday of each month. For further information see <https://www.facebook.com/ttghistoricalsociety>.

## Club News – Match Exhibition AMCCS

### NATIONAL MATCH EXHIBITION, ADELAIDE 13 & 14 MAY 2023

SAPHIL House trading tables

Auction time

Presentation of Participation Medals

Booklet and Skillet pools

The SA Branch of the Australian Match Cover Collectors Society were hosts to another successful weekend in mid-May as part of History Month in Adelaide. It was held at SAPHIL House, 22 Gray Court, Adelaide in the CBD.

Commencing with a Special Meeting held on the Friday evening (12/5) following set-up, there were AMCCS members from NSW, the ACT and Victoria as well as locals in attendance. With free admission and off-street parking, a good number of the general public also came to see what Phillumeny was all about.

Opening hours were 10.00am to 5.00pm on Saturday 13/5 and 10.00am to 4.00pm on Sunday 14/5. A raffle and auction were held both days. There were 10 competitive exhibits in the display frame section and 7 competitive exhibits in the hardware/tabletop section, all displayed by 9 members (SA 3, VIC 5 & ACT 1). The official opening was at 11.00am on the Saturday.

All entries were judged by popular vote amongst the members with the winners being –

Display	Frame	Section	
Gold – David Figg, Silver – David Figg, Bronze – Ron Labbett			
Hardware/Tabletop		Section	
Gold – Chris Hime, Silver – Dylan Beggs, Bronze – Neil Abbott			

Presentation of medals took place at 1.30pm on the Sunday when in addition to the above awards, all participants were presented with a participation medal.

Two special show souvenirs were produced for the occasion – A set of 10 picture postcards showing dozen packet labels from Australian Match Factories. Limited Edition of 50 sets. Price - AUD\$15.00 plus postage

Limited Edition of 50 boxed sets of 12 matchboxes, 10 showing the matching box size to the postcards and two leader boxes with the AMCCS & AMCCS(SA) badges on.

Theme – “Australian Match Factories Remembered”. Price - AUD \$20.00 plus postage.

We are indebted to Shakil Huq, President of the Bangladesh Matchbox Collectors Club for his expertise in designing these two products and getting them manufactured for us.

We also launched the full colour NZ Catalogue on CD. Price - AUD\$15.00 plus postage. The catalogue has been reviewed by Alan Downer, Editor of Match Label News (British Match Label & Bookmatch Society).

**Next year will be the 60<sup>th</sup> Diamond Jubilee of the AMCCS(SA Branch).**

**Another two-day National Match Exhibition is being planned for the weekend of 25 & 26 May 2024 in Adelaide, once again in SAPHIL House.**

### Glenside Vice President Rick Dewhirst with his display of Greek Airmails.

Greece, and especially Athens, have been on the crossroads of travel between Europe and locations in Africa, the Middle East, India and Asia for centuries.

His display looked at the airlines that were established in Greece and or used Athens as a transit point in accessing those more remote locations to provide international airmail service.

### Trevor Finch with his display on Cars of the World

Trevor started to collect car stamps back in the 90's, something he picked up gradually and to this day is still doing so. He finds a lot of his stamps through the circuit books as well as other avenues. Trevor was a car buff in his early years, and over the years has owned many cars.

Trevor Finch with his display.

A 1950 Vanguard. The first of its shape to cross the Nullarbor.

2 adults, 4 children travelled from Perth to Adelaide in 12 days towing a caravan.

### Gerry Van Ekelenberg Competition - popular vote.

We had 8 entries in the competition, highlighting the diverse collecting from our members. All entries were very well presented, and it was pleasing to see our members getting up and viewing the entries. With such a high standard of entries voting turned out to be very close, with joint winners in Peter Jones and his Sth West Africa and David Figg with his Match Strikers.

Congratulations to both winners.

## Club News – Australian Airmail Society

### Meeting attendances double for History Festival events.

The Australian Airmail Society hosted Corinne Ball from the History Trust who gave a brilliant presentation on the history of early ballooning in Adelaide. Corinne was one of the researchers contributing to the ABC TV Show "Tiny Oz" that recreated, in miniature, the first balloon ascent in Adelaide by Thomas Gale in 1871.

Thomas Gale made several more ascents in Adelaide before returning to Sydney. On one of these ascents he shared the basket with Adelaide's first female aeronaut Lavinia Balford. Romance blossomed and they later married. Two of Thomas and Lavinia's descendants, Judith Deer and Gillian Loader, attended the meeting and were delighted with the interest shown in their ancestor.

- Judith Deer, Corinne Ball and Gillian Loader at the AAMS Meeting.

Also in attendance was former member of parliament Frances Bedford, who is also an active member of the Muriel Matters Society. Muriel Matters was a member of the Women's Suffrage Movement and was famous for flying over London in a balloon dropping leaflets and addressing the crowds below with a megaphone.

## Club News – PSPH

Richard Venus was the guest speaker at the event hosted by the Postal Stationery and Postal History Society. Richard is a member of the Charles Todd Expert Group and was one of the members of the committee co-ordinating and presenting the events associated with last year's Overland Telegraph anniversary. His presentation had the catchy title "Mail Anxiety" and dealt with the England - Australia mail service in the 19th century and the various means of reducing the time mail took on that journey.

- Richard Venus at the PSPHSA Meeting

**NEWSLETTER DEADLINE** for the November issue is **October 13th 2023.**

## Club News – Community PS

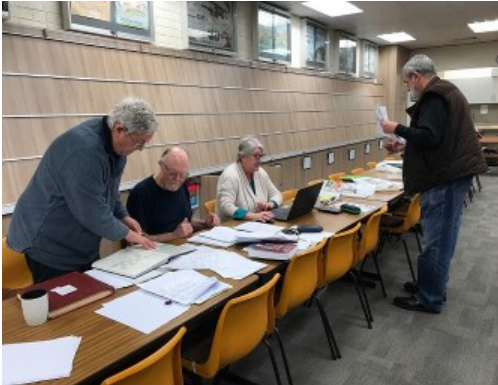

Community Philatelic Society would like to thank everyone who attended our Live/Postal Auction. We appreciated everyone's patience whilst we worked our way through using a new system. My apologies for the hiccup at the end, pressing the wrong button and losing all of the entries wasn't the best way to finish an excellent day.

Once again thanks to the Auction Team for organizing the catalogue, the vendors who have supplied material for the catalogue, and lastly to all the volunteers who helped on the Friday to set up the auction lots; then again on the Saturday and Sunday to help with the running of the viewing and then the auction on Sunday.

With a clearance rate of over 50%, bidders totalling 77 (live, postal and absentee) it proved again to be successful.

Again thanks to everyone and we hope to see you at the next auction in November this year.

Peter and Linda

Auction team preparing catalogue ready for the auction.

Live/Postal auction about to start.

## Club News – PSSA Open Day

PSSA held its annual Open Day at Saphil House on the 28<sup>th</sup> May 2023. The event had good attendance from both members and visitors.

The display on the day included South Australia stamps (donated to the club by Hardy family), 3d Airmail (by Stuart Wattison) and photographs of historic Adelaide post offices (by Martin Walker).

There were 2 dealers present, Martin Walker and John Cornelius, who appeared to have been doing fairly steady business throughout the day.

## Club News – Australian Postcard Society Open Day

Thankyou to everyone who attended our Open day. The dealers David Figg, John Cornelius, and Abacus Auctions had a very successful day with the sales they received. Our thanks go to Abacus Auctions for attending and promoting their auction held the following week.

Member's exhibits on display included Postcards, First Day Covers, Stamps and Framas.

The success of Open Days rest entirely with the philatelic fraternity taking the time to come and support our dealers. A very enjoyable day was had by all. Hope to see you again next year for another Open Day hosted by the Australian Postcard Society.

Thanks again to every one.

### PORT PIRIE PHILATELIC SOCIETY 90th Birthday

The first Port Pirie Society (foundation date unknown) went into recess at the outbreak of the First World War. In August 1933 Herbert J Stacey arranged a meeting amongst a group of stamp collectors for the second week in October. At this meeting of 24 collectors the Port Pirie Philatelic Society was founded. The first president was the Reverend John James Kilmartin, a Methodist minister. Shortly after foundation the Reverend Kilmartin transferred to Hamley Bridge. He was the recipient of the Briskham Award in 1970.

In the 35 years from 1933 to 1968 the Society built up a circuit book scheme which became the largest Exchange Circuit in the Commonwealth. This circuit had members in locations from Perth to Fig Tree Pocket & Toowoomba in Queensland and to Moonah and Launceston in Tasmania. At times some 40 circuit books would be out on circuit around Australia. In 1951 the Society printed a book of its financial members and their philatelic interests. In that year there were 190 financial members. To be included on the circuit one had to be a financial member.

The late Jock Borthwick, a foundation member, received the Briskham Award in 1973 after some 40 years of membership. April 30th – May 1<sup>st</sup> 1983 saw the Society celebrate its Golden Jubilee in conjunction with the South Australian Philatelic Association's 10th Congress. Commemorative envelopes were produced for the Golden Jubilee (April 30<sup>th</sup>) and Congress (May 1<sup>st</sup>). A Jubilee Vintage Port (600 bottles) was bottled by St. Hallets Winery in Tanunda and sold out at \$7.00 per bottle.

The late William (Bill) Passaris was the recipient of the Briskham Award in 1982. Bill's name was synonymous with the Society and when he moved to Adelaide in 2006 he remained keenly interested in the ongoing activities of the Society.

The Society held its 60<sup>th</sup> Anniversary dinner on November 24<sup>th</sup> 1993 in Maestro's Restaurant in the Port Pirie Festival Theatre complex. On November 24<sup>th</sup> 2008 the Society celebrated its 75<sup>th</sup> Anniversary with a dinner at the Risdon Hotel. A commemorative envelope was produced for this milestone in the Society's history.

In 2021 Society president Geoff Edwards received the Briskham Award. Geoff was also a member of the now-defunct Moonta, Snowtown and Southern Districts societies.

On Monday November 27<sup>th</sup> 2023 the Society will celebrate its 90<sup>th</sup> Anniversary with a luncheon in the Port Football & Community Sporting Club. A commemorative envelope will be produced. For a philatelic society to survive 90 continuous years is an amazing achievement. There have been many challenges along the journey including membership levels fluctuating quite markedly through that time.

In the past 12 months the Society has welcomed 6 new members and it now has members who reside in Wallaroo, Port Broughton, Clements Gap, Crystal Brook, Clare, Laura, Spalding, Booleroo Centre, Napperby and Port Pirie – a vast area. Having meetings at 2pm has been the saviour of the Society as night travel to the towns mentioned is just not safe.

Members would prefer to see kangaroos on stamps rather than on the road at night. It will be a serious challenge to reach the Centenary of the Society in 2033.

Geoff Edwards - President - Port Pirie Philatelic Society

## Upcoming Events

at Salisbury Lutheran Church hall,  
10 Waterloo Corner Road, Salisbury 5108

Free Admission. Wheelchair Access & Ample Off-street Parking

### **Joy Lower**

Joy and her husband Harry joined the Salisbury Philatelic Society in 1997, giving them the honour of the club record for the longest continuous membership. Joy saw her role as supporting Harry in his hobby of stamp collecting and exhibiting.

When Harry became president, Joy's support continued by welcoming members, helping with display frames, and also working in the kitchen either at club meetings, fairs or festive events. Some of the best times I had with Joy were in the kitchen catching up on families, interests and generally covering and sharing any subject with our philatelic family.

Joy was also a former member of The Tea Tree Gully Stamp Club, PSSA and secretary of the SA Frama group. Joy took great pleasure in putting on displays not only at Salisbury but also by invitation, she put on a display of phone cards for the Campbelltown 25th Anniversary in 1995 and in 2000 Eastern Districts invited Joy to exhibit her P-Stamp collection.

She was always willing to share her knowledge with her philatelic family as well as the public. Joy started working in Stewarts Stamp Shop in 1983, firstly with David Mortimer then John Bell and Jill Govan until 2000.

In later years, Joy started running a stamp stall with her daughter at stamp fairs and also at various stamp shows with prominent dealers such as Barry Jarrett in New Zealand, Juzwins in Perth, Ed Cummins in Canberra, and Tony Shields in Adelaide.

Joy was always happy to open her home and welcome committee members from Salisbury and later the Frama group. I can still remember the supper of cake, sandwiches and the cuppa as well as the many hours we spent around the dining table discussing our collecting interests in each other's company.

Over the years her hard work has been recognized with the Vic Smith trophy from Salisbury and she had the honour of signing the Salisbury Philatelic Society Honour Roll. In 2005 she received the South Australian Philatelic Society Appreciation award for the many years of service given to supporting Salisbury Stamp Club. Then in 2015 she received the Butler Award after The Frama Study Group nominated her for the Harry Butler Award, for meritorious service to The Frama Group.

Anyone who knew Joy knows what a privilege it was to be her friend, she had a heart of gold, a wicked sense of humour, and was the glue that kept many a stamp club together.

I have known Joy for over 30 years, she was a friend, a collector and a mentor to many. Sadly she passed away on May 22, and will be sadly missed by many in the philatelic family she loved.

Jenny Roland  
President of the South Australian Philatelic Council

## *In Philately* - Tributes to Friends

### **Eric Johnson**

It is with deep regret that we report the passing of one of our longest serving members. Eric passed away on the 27th May after a short illness, he was aged 100 years.

He joined Blackwood Philatelic Circle in 1991 at the same time as myself (Jeff Taylor). He was a very active member for the club who loved to show and display his shell collection and also his phone card collection. His stamp interests encompassed the whole world.

His only wish in life as he got older was to reach the milestone of 100 years. He will be fondly remembered and missed by many.

Jeff Taylor  
President of Blackwood Philatelic Circle

## *In Philately* - Tributes to Friends

### **Margaret Stijve**

It is with sadness that we have lost another of our long time members at Glenside.

Margaret Stijve passed away on the 4th July 2023, aged 84.

Margaret joined Glenside Stamp Club in January of 2000, she was a very active member. In 2011 she won the club award for her Valuable Support Services to the club. Her duties were many, collecting monies from members, and walking around making sure that the attendance book had been signed by all members.

She loved collecting stamps. Margaret married Koert on the 1st September 2009 after being together for 18 years. Margaret was on the committee and was a keen helper with the many activities involved in the running of the meetings.

She will be sadly missed by all at Glenside and also her husband Koert who still attends Glenside meetings.

Jeff Taylor  
For the Glenside Stamp Club

## Exhibition Results

### **Congratulations Mohammed Islam on Qualifying as a judge.**

The APF, at a meeting in late 2022, approved the accreditation of Mohammed Monirul Islam as a full Australian Philatelic Judge based on his completion of an Apprenticeship at an Australian exhibition, experience as a Bangladesh National Judge and participation on the Capex 2022 Jury.

Congratulations to Mohammed, who is also a driving force behind philately in Bangladesh. He will be invited to sign the Judges' Register at a suitable occasion. In addition, he has been invited onto the FIP Revenue Commission.

## Congress 2023

### South Australian Philatelic Council - Congress

14th and 15th October 2023

Congress will be held at

Hectorville Community Centre, Reid Avenue, Hectorville.

**Opening times Saturday 10 - 5pm, Sunday 10 - 4pm.**

An auction will be held on the Saturday. Presentations will be held on Sunday.

We will be looking to the clubs for One Frame entries in the Arnold Keller Interclub Trophy as well as individual One Frame entries. State entries (3 frames only) will also be accepted.

#### Dealers attending

Juzwins  
David Figg  
Shields Coin & Stamps  
John Cornelius  
Merv Harris  
APF products  
Abacus  
Toss of a Coin

#### School Competition

This year we have started a school competition for school students in the Lower Murray area. The competition is based on designing a stamp, postcard or cover, or design a new cover for a book that they have read in the Premier's reading challenge. A local country school has been chosen to gauge interest.

The competition is open to four age groups and will be judged and then displayed at Congress.

We will be asking for **volunteers** closer to the event.

For further details contact Linda on 0421367665, or saphil-house21@gmail.com

**Don't forget to put the dates into your diary !!**

### The Frugal Challenge 2023

The CBO are sponsoring the inaugural Frugal Challenge.

"Frugal Philately Class" is an exhibition class which concentrates on the criteria of treatment, importance, knowledge, research and condition. The purpose is to provide an opportunity for collectors to display interesting items and enhance their philatelic skills rather than blunt their cheque books. The availability of such a class encourages those who are put off exhibiting by the alleged high cost of items needed to compete in the normal classes.

## CONGRESS 2023

*October 29th feedback session*

*Sunday 10am to 3pm.*

*Bring your exhibit for a more comprehensive feedback session.*

*Lunch will be provided.*

# National Stamp Exhibition

## PERTH 2023 National Stamp Exhibition

**Thursday 2nd to Sunday 5th November** from 10am daily

Perth 2023 is a full national multi-frame exhibition, incorporating coins and other collectables. It is organised by the Western Australian Philatelic Council ('WAPC'), under the auspices of the Australian Philatelic Federation ('APF').

Our website provides the programme of events plus information about the venue, getting to and from the venue, options on where to stay, places of interest while in Western Australia and much more. There is also a range of information for exhibitors.

If you would like to be kept up to date with exhibition news, you can register your interest by visiting our website [Welcome – Perth 2023 Stamp Show](https://www.perth2023stampshow.com).

Theme for the event: Centenary of Radio Broadcasting in Australia November 2023 marks 100 years of radio broadcasting in Australia.

The first radio station to undertake a live broadcast in Australia took to the airwaves on 23 November 1923.

Stamp: 50th Anniversary of Radio Broadcasting Stamp issued 21 November 1973.

**Do you remember the fun you had collecting stamps as a kid?**

But then as you grew, life got in the way. There was work to do, maybe you got married and had your own kids and there just never seemed to be enough time to add stamps to your album.

**Relive the fun of yesteryear by visiting PERTH 2023**

**'Australia's premier FREE philatelic event'**

### Stalley's Stamp Shop

By Peter Humby

Some readers may recall Adelaide's oldest and enduring stamp shop. Well, it is just over fifty years since they moved from their 'Cowra Chambers' outlet, where they had been operating since 1945 to their second home in 'Brookman Buildings'.

Being non superstitious they opened for business April 1<sup>st</sup> 1972, 35 Grenfell St. This spacious ground floor outlet on the southern side with windows facing north into Grenfell St. Only being a short distance east from the ground floor accommodation in Cowra Chambers. This was to be short lived as it too was to be demolished as part of the \$13 million dollar projected Stock Exchange Plaza.

They then moved to ground level Shop 24, Da Costa Arcade at 68 Grenfell St. where I worked for Peter in 1978. Stewart's Stamp Shop had street frontage in the same building.

When Mrs. Connie Stalley turned 70 in 1982 they moved to their holiday home at Victor Harbor, vacating Adelaide completely. Peter set up shop, down stairs as a mail order operation with selected call Clients. Peter attended the London World Stamp Exhibition in 1980.

Covers produced by Peter Stalley

## Perfin Collecting

In philately, a perfin is a stamp that has had initials or a name perforated across it to discourage theft. The name is a contraction of perforated initials or perforated insignia. They are also sometimes called SPIFS (Stamps Perforated with Initials of Firms and Societies).

Great Britain was the first country to use perfin, beginning in 1868. The practice spread quickly to Belgium (1872); Denmark, France, Germany and Switzerland (1876); and Austria (1877); the U.S. finally allowed perfin in 1908.

In Britain unused postage stamps could be redeemed for cash at the post office. By agreement with postal authorities, a perfin stamp on a letter could be used only by the owner of the perfin. Therefore, a stolen perforated stamp would be of no value to the unauthorized bearer. Thus the use of perfin gave organizations better security over their postage.

The demise of the perfin came about by the widespread use of postage meter machines, which

obviated the need for perfin.

A number of countries have perforated stamps to denote official mail. Denmark punctured stamps for use by the Danish Home Guard. The United States has punctured stamps for use by various Federal organisations and Australian states such as Victoria and Queensland used perfin widely on their stamps.

Formerly considered damaged and not worth collecting, perforated postage stamps are now highly sought after by specialist collectors. It is often difficult to identify the originating uses of individual perfin because there are usually no identifying features; for instance the Kodak company used a simple K as their perfin, but on its own a stamp perforated K could have been used by several other users. A K perfin still affixed to a cover that has some company identifying feature, like the company name, address, or even a postmark or cancellation of a town where the company had offices, enhances such a perfin.

## APF Store products

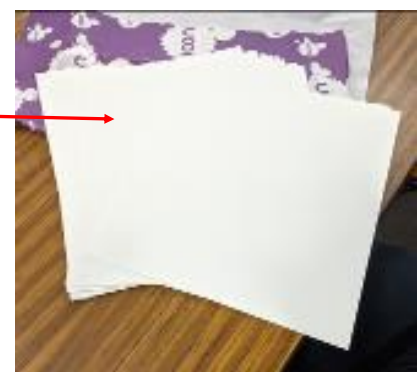

The APF store is at SAPHIL House

If you are interested in purchasing paper, protector sheets or photo corners for you displays or exhibits, the APF store has a wide range of products available for you.

Phone 8212 3557 on Tuesday or Thursday to speak to Mike,  
For a more comprehensive products listing go to the APF website. <https://apf.org.au/store>

### When were stamps first Perforated?

In 1850, a London journalist wanted some stamps but didn't have scissors so he pricked around the edges with a pin. This gave Henry Archer the idea of designing a perforating machine.
